

For Foreigners living in Japan for 1st term of 2019

Japanese Language Class

Learn basic Japanese for daily use!

▶ **【Class lesson (for beginner and intermediate level learners)】**

Learn the necessary skills to talk about yourself and express your thoughts using the textbook “Dekiru Nihongo” You will improve your ability to use Japanese in daily life. Why not give it a try!

▶ **【Conversation Lesson】**

Learners review and maintain the knowledge they acquire in class lessons through one-on-one conversations with our Japanese support team. You will also practice reading and writing Japanese characters.
